ATLANTIC CITY, N.J. - The Noyes Arts Garage of Stockton University in Atlantic City is excited to announce a new workshop for children ages eight to twelve, *Mighty Artistic*, May 7, May 21, and May 28, 2022. The workshop is presented by Mighty Writers.

Join the Mighty Writers and explore how artwork can spark the imagination and fuel the fires of creative writing! From studying the greats to creating sketches and designs, art will help your child to create vivid settings, cool characters, and interesting plot lines. Every participant will receive a composition notebook.

Mighty Writers, founded in 2009, teaches kids ages 3-17 in Pennsylvania and New Jersey to think clearly and write with clarity so they can achieve success at school, at work and in life. Mighty Writers offers free high-quality programming outside of school hours, including homework help, writing workshops, one-on-one mentorships and virtual and in-person classes that amplify and empower student voices.
